MEDICINAL.

Do you remember the little things that gave us so much pleasure when we were young? With what zest did we sit down to the table after our play was over and eat the mush and milk our mother put before us. But as we get older it takes more to give us pleasure. Mush and milk no longer tastes good to us, and our digestion may be impaired. The best advice we can give to such a person is to tone up the stomach with Dr. Pierce's Golden Medical Discovery. It is nature's most valuable and health-giving agent—made without the use of alcohol. It contains roots, herbs and barks, and is the concentration of nature's vitality as found in the fields and woods. This remedy has a history which speaks well for it because it was given to the public by Dr. R. V. Pierce, founder of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., nearly forty years ago, and has since been sold by druggists in ever increasing quantities. Some medicines, tonics or compounds, enjoy a large sale for a few years, then disappear from the public attention, but Dr. Pierce's Golden Medical Discovery has proved such a reliable blood remedy and tonic that it often enjoys the confidence of several generations in a family, and its increased sales year by year coming from the fact that it is a blood purifier and tonic, it proves its lasting merit, so that every bottle bears the stamp of public approval. Every other blood-maker and tonic for the stomach that we know of contains alcohol, but Dr. Pierce guarantees that no alcohol is contained in his "Medical Discovery."

A Startling Test.

To save a life, Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test, resulting in a wonderful cure. He writes, "A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at E. S. Leadbeater & Sons."
